---

I would like to contribute to your organization as a full-stack web developer, leveraging my ability to develop web applications using readily available web frameworks. With my passion for learning, I will be able to take part in empowering your team with my newly found coding expertise, my background in Mathematics, and my experience in data analytics.

## AREAS OF EXPERTISE

### Hard skills

- Frontend: HTML5, CSS3
- Databases: MySQL
- Scripting Languages: PHP7, JavaScript, jQuery, Ajax
- Frameworks: Bootstrap, Laravel
- SDLC Phases: Development, Test, Deploy
- Version Control: GIT
- Others: Linux Systems, Terminal, Wireframing, Documentation

### Soft skills

- Project Management (Milestones)
- Grit proven as an individual working on one full-time job and a few other jobs on the side and excelling in all; also proven as a working student while maintaining university scholarship status
- Communication skill proven as an English tutor to Japanese students and Mathematics tutor to Junior HS students

## PROFESSIONAL EXPERIENCE

### RareJob Philippines, Inc.

Metro Manila, PH

#### ***Data Analyst - Lesson Management***

***Jan 2016 - July 2017***

- Collected and analyzed operational data; handled data analysis, forecasting and computation of tutor incentives
- Created MS Excel templates to improve the efficiency and accuracy of the workflow processes
- Created and presented daily, weekly, and monthly forecasts related to lesson supply and demand

#### **Accomplishments:**

- Automated tutor incentive calculator and checker, decreasing demand in manpower and man hours by almost 50%
- Created forecasting tools for lesson demand and supply that used to require manual computation and interpretation
- Earned highest evaluation scores (A) from Jan 2016 to July 2017 because targets were consistently met

#### ***Quality Assurance Staff - Tutor Relations***

***Apr 2015 - Dec 2015***

- Created MS Excel templates to improve the efficiency and accuracy of the workflow processes
- Evaluated tutors' skill and attitude through recorded lessons by a mock Japanese student

#### **Accomplishments:**

- Created evaluation tools for mock lessons that used to require manual input and interpretation, decreasing demand in manpower and man hours

**Part-time ESL Tutor (RareJob)****Aug 2014 – Apr 2015**

- Taught English to Japanese and Brazilian students from different age groups

**Accomplishments:**

- Received certification as a Business English tutor after further training

**Part-time: Self-employed****Session Musician****2010 - present**

- Accompanied different artists together with other session musicians
- Played for various events and was still able to manage time and be consistently awarded as a university scholar

**Mathematics Tutor****Sep 2013 – Apr 2015**

- Taught Mathematics to Junior High School students
- Designed lesson plans and exercises to improve students' analytical skills
